TO WHOM IT MAY CONCERN

JOHN L ROGERS

I have known John Rogers for over 20 years. I have seen him many times at international franchising conferences in the USA and for a few years John and I were on the Board together of the Supplier Forum of the International Franchise Association (USA).

John has lived in both Vancouver and Toronto. He is very personable and is an excellent franchising lawyer. He is a man of the utmost integrity and I have no hesitation in recommending John as a franchising lawyer and wish him all the very best for his new firm.

Yours faithfully
